IBM COGNOS ANALYTICS

The screenshot shows the IBM Cognos Analytics with Watson home page in a web browser. The browser's address bar displays the URL `us1.ca.analytics.ibm.com/bi/?perspective=home`. The page features a dark blue header with the text "IBM Cognos Analytics with Watson" and a search bar. A maintenance notification banner at the top states: "Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events". The main content area has a dark blue background with the text "Hello. Welcome to Cognos Analytics with Watson." and a sub-header "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this, there are two buttons: "Watch video" and "Take a product tour". To the right, there is a user profile card for "Mathisha R (b3cff194fba2)" with the email "19euit087@skcet.ac.in" and a "Profile and settings" link. A dropdown menu is open, showing options: "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out". Below the main content area, there is a "Quick launch" section with four tiles: "Upload data" (Upload or drag and drop spreadsheets, csv files, and other data sources.), "Prepare data" (Use data modules to clean and connect data from multiple resources.), "Exploration" (Quickly find unbiased answers by identifying trends in your data with data exploration.), and "Present data" (Create sophisticated, multi-page, multi-query dashboards, reports, or stories.). The bottom of the screenshot shows the Windows taskbar with the search bar "Type here to search" and various application icons. The system tray on the right indicates "28°C Cloudy", "21:46", and "09-11-2022".
